BENEFITS OF SPORTS EQUITY

EQUAL OPPORTUNITY IN SWIMMING

'Equal Opportunity is about celebrating difference and diversity and as such providing a swimming structure that can respond to this in a proactive and positive manner'.

The Bletchley & District Swim Club is totally committed to the principals and practice of equal opportunities across all of it's aquatic disciplines, by all it's members. In our work with key partners, such as swimmers, clubs, teachers, coaches, officials and administrators, we will advocate our policies make every effort to ensure that all participation has equity at it's core.

Swimming is a 'sport for all'. It can and should be enjoyed and made accessible to everyone and to achieve this:

- The Club is committed to work towards ensuring that swimming is accessible to the, many rather than the few.

- The Club recognizes the need to acknowledge the diversity of provision that is required to ensure that all people, regardless of their race, sex/gender, disability, age, sexual orientation, social or economic background can access swimming and develop at a level that is appropriate to them.
- The Club recognizes the need to celebrate differences and diversity of provision as a means of creating entitlement and accessibility to our structures.
- The Club recognizes that equal opportunity is about recognizing that people are different and therefore require different provision.
- The Club recognizes the need to consult widely in order to respond to diversity.

ADDRESSING EQUAL OPPORTUNITIES

In addressing equal opportunities, the Club will respond to issues of equity by:

- Recognising that swimming as an organisation – our staff, swimmers, coaches, teachers, officials and administrators need to adapt and work flexibly in order to respond to the needs of a wide and diverse range of people.
- Take positive action to increase the involvement from under represented groups in all aspects of our organisation, participation, coaching, teaching, officialdom etc.

In doing so the Club supports four key principals as being fundamental to ensuring that everyone can participate in our sport and the achievement of equality of opportunity:

Entitlement: People have a right to participate in and access quality and appropriate experiences within swimming.

Accessibility: It is the responsibility of the Club – our teachers, coaches, officials and administrators – to adapt provision to fit the needs of the many.

Inclusion: Wherever and whenever possible, all to access the same quality of provision, and if necessary to use positive action to ensure this:

Integrity: Whatever we do as a Club to change or adopt provision, it must be of equal worth, challenging, relevant and in no way patronising.
